Cambridge Proficiency (C2)

EXPERIENCE

Mar. 2024

Jul. 2025

WORKING STUDENT MAKERSPACE

Zuyd Hogeschool

Guiding students in the actual realization of their projects. This involved the use of a 3D printer, laser cutter, plotter, and soldering. Additionally, I gave workshops to first-year students.

2022
present

GRAPHIC DESIGN KNIP MUSICAL

Dr.-Knippenbergcollege

Designing communication materials for the annual musical, including the posters and the logo. This involves skills such as graphic design, storytelling, and photography.

Nov. 2023

Jun. 2024

DESIGN POSTERSESSION

Centraal Bureau voor de Statistiek

I translated provided texts and graphs into clear posters for two poster sessions, which were presented during a presentation at the Dutch Ministry of Foreign Affairs and a conference of Maastricht University and Statistics Netherlands (CBS).

INTERNSHIPS

Feb. 2024

Jun. 2026

GRADUATION PROJECT

Filmhuis De Spiegel

Seeking to connect with a younger target audience for the renovated Royal Theater in Heerlen, whereby a broad mix of communication tools was developed through an iterative process, including an interactive installation.

Sep. 2023

Jan. 2024

INTERNSHIP

Centraal Bureau voor de Statistiek

Developing a multimedia story about the European Green Deal to make the information digestible for a broad target audience.
